Hi All,

Great news. Kelly Gable, from ORC in EPA Region 3, has been assigned as our attorney for OR CZARA 6217. We met with her this afternoon and learned that she has extensive experience in the Water programs (even TMDLs--she is EPA's attorney on the Chesapeake TMDL!).

I gave her your names and invited her to our upcoming meetings. She will be working from Philadelphia so those of you from the east coast should have no worries.

I already gave her a copy of the settlement agreement with attachments and the attached list of commitments

What other documents do you believe would be useful for Kelly?

I thought of providing her with our consolidated list of conditions and rationales, the 1998 Conditional Approval Letter. and Record of Decision but could not locate an electronic copy.

Of course, she should have Nina's recent correspondence:

Concerns About Oregon Department of Environmental Quality's Honoring CZARA Settlement Commitments Oregon Coastal Nonpoint Pollution Control Program (April 3, 2012)

Oregon Coastal Nonpoint Pollution Control Program; EPA and NOAA's Interim Approval of Agricultural Management Measures for Oregon (May 2, 2012)

Our response

Oregon Coastal Nonpoint Pollution Control Program; EPA and NOAA's Interim Approval of Agricultural Management Measures for Oregon are Based on a Flawed Understanding of the State's Enforcement Authority (June 13, 2012)

Oregon Coastal Nonpoint Pollution Control Program; EPA and NOAA's Interim Findings on Pesticides (August 20, 2012)

Related Letters to ODA

Other other documents? Your thoughts on what else Kelly would find helpful?

Cheers,

Jayne
